## Covenant Prayer

Written by  
Prophetess S. 'Nikki' McAllister-Creque

We pray to you, The Creator and God of the Living to put us to what you will.  
Place us with whom you will.  
Put us to your doing, put us to suffering for you, Yahweh.  
Let us be put to work for you or set aside for you.  
Praised for you or criticized for you.  
Let us be full, let us be empty.

Yahweh, we know that the enemy wouldn't be fighting so hard against us if we weren't making a difference for your kingdom.  
He wouldn't be trying so hard to stop us if he didn't think you had so much good still in store.  
Remind us, today, Lord, that the battle belongs to you, and whatever we're up against can be taken down in one fell swoop by your mighty hand.

Help us to trust you more, to stop wasting time fighting in our strength but to fight with your strength.  
Forgive us for the times we've neglected to set our eyes and hearts on you, for the days we've forgotten to come to you first.  
Fill us with the power of your Holy Spirit.  
Fill us with your wisdom and discernment to make us aware of the enemy's traps, so we can stand strong against his schemes.

Thank you for your constant reminders that your presence will go with us, in whatever we face, and you'll give us victory and peace.  
We are begging you, as children of the Living God, The Creator, for you to silence all voices except yours. Let your voice be as clear as the birds at dawn.  
Protect us with your spiritual armor.

We will readily adorn ourselves with the full armor of God.  
We will place upon ourselves the breastplate of righteousness, the belt of truth, the helmet of salvation, the shield of faith, the sword of the spirit, and the gospel of peace.  
We ask you to protect us and our loved ones. Let the blood of the Messiah not be in vain and be always remembered.

Use us as your weapons for your warfare.  
Protect us and our families by putting a wall around us all and appealing to our minds so that we may follow You with no doubt.  
We surrender ourselves wholeheartedly to You.

Lord, we recognize that we need more of you, as our minds are constantly exposed to things that aren't holy or pure.  
When we are replaying the bad things we've done, help us to focus on the good you have placed in us and the healing you have provided us.

# **Sapphire Dragonfly Ministries Covenant Prayer**

**Written by  
Prophetess S. 'Nikki' McAllister-Creque**

We are constantly under attack from within and without.  
Help us to cultivate the mind of the Messiah within us by guiding us to scriptures that will help us to do so.  
In Yahweh's name, The Creator and the Living God we pray.  
Awemain.
